THE NEW LIFE INSTITUTE IN CANYON COUNTRY

Our New Life Institute in Canyon Country has been in operation now for 29 years. The first 15 men were taken out there on February 15, 1979.

There are not words to express all the more than wonderful things that our Lord has accomplished in the hearts of many, many, many men and boys during the years since its beginning.

There is no way that we in our ministry could adequately express our gratitude to the Lord for the tremendous transformations in hearts and

lives during these years. They come to us from all sources, some discovering us by accident. They come from broken homes, from lives wasted

by alcohol or drugs, they come from prisons, from detention homes, or just from the streets — seeking a place of refuge.

No matter what their background, they all have one thing in common... and that something is THE REDEMPTIVE POWER OF OUR LORD JESUS CHRIST.

Just picture such a varied, motley group gathered in the early morning Bible reading time for an hour and a half prior to breakfast. Some have never opened a Bible before, much less read any part of it. But the reading of God's own Word is the key to the tremendous results our ministry has seen in so many lives during the years.

TRANSFORMED LIVES

My name is Akemi and I was born in Memphis Tennessee. When I was 2 years old My Family moved to Los Angeles.

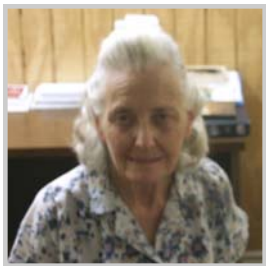

During my childhood years I was heavily exposed to neighborhood gangs. I found myself being very

attracted to the lifestyle because for the first time in my life I felt accepted. Going down this path led me to a fatal introduction to drugs. It wasn't long before drugs were my god, and this cost me everything.

THE NEW LIFE INSTITUTE

As they feast on the Word in the morning and have various Bible classes or services in the evenings; God does His work in their hearts by His Holy Spirit. And when they give their hearts and lives to the Lord Jesus, the turn around in their attitudes, behavior and their zest for life is wonderful and amazing to behold.

We could never thank God enough for making the way for us to have this particular part of our ministry; or for the love and generosity of the three business men who so graciously provided it.

We also can never say thank you enough to the great host of willing givers that the Lord has given us

over the years to allow every part of our ministry to be and to continue.

All we can do is just say thank you to each one of you over and over again!!

May God's richest blessings be upon each of you.

In His love,

Pat Hilst

TRANSFORMED LIVES

The ending result of the gang lifestyle and drugs was homelessness and soon to be death. I became so tired of that lifestyle and had lost so much, I knew I needed a change. I heard about The Bible Tabernacle and decided to give it a try. It was one of the best decisions I have ever made.

Since I have been at The Bible Tabernacle I have given my life to the Lord and that was the very

best decision I have ever made. I am so grateful for what God has done and is doing in my life. The Lord is restoring everything that I lost. God has made a way for my son Demetrius to live with me here and he too has accepted Christ. I am now employed and God has blessed me with a godly support system. I thank God for The Bible Tabernacle.

Akemi's son Demetrius is nine years old

and has just started the fifth grade. He is so glad to be back with his mother. He has a great attitude and is smiling all the time. His favorite sport to play and watch is football, and he loves to read.
