

THE BIBLE TABERNACLE

“SERVING THE MASTER BY SERVING MAN”

DEAR FRIENDS & PRAYER-PARTNERS,

HOW GRATEFUL we are for each and everyone of you as you stand behind us by your prayers and your very kind support that allows us to keep caring for the many who come seeking help.

GOD IS CONTINUING TO BLESS THE MINISTRY IN MANY WAYS.

ONE PROJECT SOON TO BE UNDERWAY... is the remodeling of the men's house here in Venice. It is a very small house, but still has been used by God these many years to allow hundreds of men to have shelter, meals and most of all to come to know Christ as Saviour and Lord.

This is not only a remodeling of the existing house, but the addition of a second story, thus enabling us to provide emergency housing to many more men including men with children.

One of the main purposes for this house is to encourage the men to enter our program in Canyon Country. It is a long-term program and one that has been used by God to really turn many, many men's lives completely around for the good. They are so immersed in the Word of God, have the constant influence of others who have come to Christ, and the guidance of the dedicated leaders and teachers that sets them on a right path for their lives. **THE RESULTS HAVE BEEN TREMENDOUS!**

THE ESTIMATED COST OF THIS PROJECT IS \$95,000.00... if God would touch your heart to give towards this project we would be very grateful.

After 21 1/2 years of serving our Lord with the men's and boys ministries, the Lord took our beloved Pastor, Milton J. Wilson home on April 14th. He will be missed, but how we thank God for His constant provision for our ministry in every way.

HE CONTINUES TO PROVIDE EXCELLENT LEADERSHIP FOR THIS HIS WORK.

Our new Senior Pastor is Willie F. Pace who resides at our Venice ministry, but keeps a very vigilant and firm hand on every aspect of this work at all times. He is a multi-talented person with many aspirations for the growth of our ministry, for its outreach to those in need and for bringing men, women, boys and girls to a genuine relationship to the Lord Jesus Christ.

Peter J. Hilst is Senior Associate Pastor. His main ministry is to the men in our Canyon Country program. Patric Grier is Associate Pastor and also resides at the Canyon Country ministry. He will be in charge of our youth ministry in Canyon Country. He is also very talented musically, and dedicated to the service of our Lord.

WE CANNOT THANK YOU ENOUGH FOR ALL YOUR PRAYERS, GIFTS AND CONCERN FOR THIS WORK!

GOD BLESS EACH ONE.

In His love,

Pat Hilst, secretary
