

THE BIBLE TABERNACLE

SERVING THE MASTER BY SERVING MAN

OUR MENS FACILITY IS COMPLETE

Our new mens house is now open and many men have been received. It is such a beautiful house and we thank God so much for it. We are so grateful for all the kind and generous gifts that have been sent to us for this need.

This home is for a temporary stay only, as they are urged to enter our men's program in Canyon Country - where they can stay as long as they wish. It is such a concentrated program of Bible studies and classes; along with discipline, good work details and being in an environment of God's love and concern; it has reaped a tremendous harvest of changed lives over the years. Once again, we cannot express our gratitude enough for each of you who have been so very faithful - many of you for many years - in supporting this work by your prayers, your love and your kind and generous gifts. But we thank our Lord for each and every one.

Dear Friends & Prayer Partners,

We have this past month celebrated the two most important events in history. The death of our Lord Jesus Christ in payment for our sins; and his glorious resurrection from the dead, that guarantees eternal life to all who receive Him.

Jesus Said: *“All power is given unto me in heaven and in earth. go ye therefore, and teach all nations, baptizing them in the name of the father, and of the son, and of the holy ghost.” (Matt 28: 18-19)*

**What an awesome job
What an awesome privilege**

God gave all power to His Son - He gives us power by his Holy Spirit to do the work He has given us to do.

How grateful we are for the tremendous ministry God has raised here that allows countless numbers of men, women, boys and girls to hear the greatest news ever heard. That they can be right with God, that they can become a totally new person. That they can live a totally new life. “if any person be in Christ, he is a new person; old things are passed away, behold, all things are become new.” (II Cor 5-17)

God has given us great leaders for our ministry and we thank Him. He has given us so many good men and women who give of their labor daily to make this ministry work - and we thank Him.

HE HAS GIVEN US YOU WHO STAY IN PRAYER, WHO CARE, WHO SHARE THAT THIS MINISTRY CAN BE POSSIBLE. AND WE THANK HIM AND YOU !!!

But the power is not in us - but in God to change these lives - and we thank Him! As we place them in God’s Word each day; their lives begin to change. There is a Bible reading time each morning - a time of hearing the word each evening. “So faith cometh by hearing, and hearing by the Word of God.” (Rom: 10:17)

Many new classes have been formed this year whereby they may grow in their new-found faith. Classes that will help them set new goals for their lives. Classes that will give the guidance and direction they need as they step out by faith to begin their new life in Christ.

There are those who have just drifted through life. Those who have never known responsibility. Ones who have known only lives of crime, drugs, alcohol, prison, hatred and anger. But coming to Christ makes the difference!!!

We see total turn-arounds. From hatred to love, from greed to caring, from hardness to compassion, from laziness to zeal - zeal to love, they receive power to live and serve their Savior.

In Jesus we have life and life more abundant and free. Alleluia, what a Savior!

We are so grateful for God’s provision for mothers, children and single women here at our Venice ministry. Perhaps because of a drug addiction or other problem; or just financial crisis the Lord sees to it that they are directed to us for help. And we thank God for the wonderful help He gives.

So often mothers for one reason or another have had their children placed in foster care. But as the social workers see them gain stability in every area of their life within our program; many of these mothers have regained their children. And of course this is such a tremendous joy to us all to see this happen.

The children gain such security here also. Being in a structured environment, gaining friends their own age, being placed in school right away, knowing they do not have to worry if they are going to be fed or not - they receive (as everyone does) three good meals a day, they know they have a bed to sleep in and guidance and protection makes for happy and contented children.

In His love,

PAT HILST
