"Serving The Master, By Serving Man"

CHANGED LIVES

DEAR FRIENDS AND PRAYER PARTNERS:

As you know for over 40 years our ministry has been proclaiming the **GOSPEL OF JESUS CHRIST**. We have been ministering to those in society who need this gospel message the most. Reaching out to the lost, the poor and the needy. Attempting to meet their needs both spiritually and physically.

We are standing and ministering from the only hope for our world - the **WORD OF GOD**.

We are living in a time when some do not believe that the **GOSPEL OF JESUS CHRIST** is enough. But, thank God **WE BELIEVE** that the Gospel is the power of God unto salvation unto all that believe.

The power of God to change and transform lives is ever visible in the lives of those who come to our ministry seeking shelter and provision.

We are committed to the Gospel of Jesus Christ, and the empowerment which the Gospel gives to rise above circumstances and conditions which have long ensnared the souls of men and women caught in the snare of the devil. This empowerment comes through a personal relationship with the Lord Jesus Christ.

Here in our ministry we are seeing the captives set free, families being restored, the Gospel being preached to the poor in spirit and the broken hearted being tended to. What a glorious work the Lord is doing and we give all praise to God, and we thank you for your prayers and support which makes all of this possible.

WE WOULD LIKE TO SHARE WITH YOU WHAT GOD IS DOING AND WHAT YOUR PRAYERS AND SUPPORT ARE MAKING POSSIBLE.

Here is just one of the many success stories that we will be giving you in the months to come.

**Let us introduce to you
BERNARD AND NELLENE WILLIS.**

Bernard and Nellene both came to our ministry seeking to overcome the addictions and life-styles which were leading to their destruction. Both came to know the **LORD JESUS CHRIST** and both accepted him as their personal **LORD AND SAVIOR**.

Bernard was assigned to our Food Service area for many years and served faithfully there. It was here in our ministry that he met his wife Nellene, and they were married. Bernard continued to grow in the Lord and began after a time to give Bible Studies. As he continued to be faithful it was confirmed that the Lord truly had a call on his life for the ministry, and he is now one of our Ministers.

His wife Nellene began to attend Nursing School and is now a Certified Nursing assistant.

Bernard and Nellene moved into their own apartment in December of 2002 and are now the Managers of their Apartment Complex while Nellene continues to work as

a Nursing Assistant. Although living on their own now, they continue to be actively involved in the life of our ministry.

We thank God for their love for Him and their fervent zeal to serve Him.

MORE NEWS AND UPDATES

Well, the remodeling has begun and stopped (soon to be resumed) of the Men's House - the facility which provides emergency shelter for the homeless men and also houses some of the men who are assigned to our Venice Ministry (maintenance men, grounds crew, drivers, etc.).

As demolition began for the new construction it was found that the old structure which was to remain had many structural problems.

Because of the problems and requirements of City Planning we are having to do a far more extensive renovation.

The additional work which needs to be done will bring the Project's cost to \$171,000.00.

We are trusting God for the funds

necessary for the completion of this work, and asking for your continued prayers and support. We are believing God that this project will be completed without any indebtedness.
