## Christian Program For Men, Women And Families

Tragedy and Violence can destroy any person's life. In light of these events there is no easy way out. We feel that our six month to one year program is an effective process that endeavors to bring healing to spirit and emotions.

Our ministry seeks to teach life skills, and provide a spiritual foundation that will enable individuals to overcome lifes challenges, and provide a vehicle for a stable life as they return to their communities and become productive members of society.

Many of the families that have come to us have said that we are the "first hope that they have had in a long time." **We want you to know that you can have complete assurance that your gift and prayers are really changing lives for good!**

## Our Ministry Was So Blessed Over The Months Of July And August.

✓ Members of Campus Crusade for Christ worshiped with us on Sunday mornings and inspired us by their presence.

✓ A team of 28 - 30 High School students with Impact L.A. stayed with us for one week as they did outreach to young people in the Mar Vista and Oakwood Communities.

## Hurricane Charlie Blew Through

Because of hurricane Charlie, a church group of over 60 young people from Seattle, WA. who were supposed to be in Orlando FL. - found themselves on Venice Beach on Sunday afternoon.

**What were they to do?!** They were prepared to minister in music and drama.

**Well I'll tell you what they did.**

**They took over our Sunday Evening Service!!!!**

**And were we BLESSED!!!!**
